

# NEI

### Investor Profile

Suited to investors seeking a diversified portfolio of responsible investments with a strong weighting towards foreign and Canadian equities. Investors should be able to accept a moderate level of risk.

### Investment Objective

To provide long-term capital growth and, to a lesser extent, preservation of capital through exposure to foreign and Canadian equity securities, foreign and Canadian fixed income securities, and money market securities. This fund follows a responsible approach to investing.

### Investment Strategy

The fund intends to achieve its objective by using strategic asset allocation as the principal investment strategy. Underlying mutual funds are selected based on factors such as expected return, volatility, and correlation while accounting for investment styles and other qualitative factors. The portfolio manager may, at its sole discretion, modify the asset mix, change percentage holdings of any underlying mutual fund, or add or remove any underlying mutual fund. Multiple responsible investment approaches, including the predominant approach of responsible screens ("RS"), are utilized by the Underlying Fund to exclude investment in select categories.
