

# NEI

## Investor Profile

Suited to investors seeking a diversified portfolio of responsible investments with a slight weighting towards income-producing fixed income securities. Investors should be able to accept a low to moderate level of risk.

## Investment Objective

To generate a moderate level of income while providing some potential for capital growth by investing in a mix of income oriented mutual funds and equity mutual funds. This fund follows a responsible approach to investing.

## Investment Strategy

The fund intends to achieve its objective by using strategic asset allocation as the principal investment strategy. Underlying mutual funds are selected based on factors such as expected return, volatility, and correlation while accounting for investment styles and other qualitative factors. The portfolio manager may, at its sole discretion, modify the asset mix, change percentage holdings of any underlying mutual fund, or add or remove any underlying mutual fund. Multiple responsible investment approaches, including the predominant approach of responsible screens ("RS"), are utilized by the Underlying Fund to exclude investment in select categories.
