

Life Insurance

Life is the best when it's lived to the fullest. Without the right protection, however, sometimes that can be hard to do.

Co-operators started 75 years ago as a Life insurance agency, and since then, we've built strong relationships with over 600,000 Canadians. We know how important it is to look after your loved ones, so we're dedicated to providing policies that go beyond coverage, giving you the peace of mind to enjoy the present, knowing that your family's future is properly protected.

We understand the amount of coverage varies from person to person. With our level of expertise and knowledge, we look at the entire picture, using analysis and tailored advice, to provide you with comprehensive Life insurance and investment solutions based on your unique needs and stage of life.

We offer a range of Life insurance products that adapt to your life's journey. Our term insurance offers affordable coverage, allowing your loved ones to maintain their standard of living should the unexpected occur. Permanent insurance provides adaptable lifetime coverage and the potential to build your wealth, while critical illness insurance covers major medical emergencies.

You can purchase Life insurance through one of our knowledgeable advisors or your own broker. We provide flexibility for clients to share their personal history in a way that suits them best and are accessible at hundreds of locations across Canada. We ensure that planning for the future doesn't have to take time away from your present.

Life is an exciting journey. Let us provide you with a plan so you can live your life with the protection that you deserve. Talk to us today, and together, we'll work towards securing your future so that you can enjoy what's right in front of you.
