The Group Policy and this Product Guide are non – participating. This means your insurance coverage has no cash value and pays no dividends.

### Limitations On Insurance Benefits

For all insurance, there are limits on the total amount of insurance you can obtain and how long your insurance will remain in force. For disability insurance and loss of employment insurance, there are also limits on how long we will pay benefits if a claim is made. The amount of insurance coverage on your Loan or Lease may be less than your Loan/Lease Amount Excluding Insurance.

**Maximum Benefit Period Per Occurrence** means the maximum limit on the total number of months for which we will pay disability insurance and loss of employment insurance benefits for a single claim, as shown on your Insurance Enrolment.

**Maximum Insurance Available (excluding insurance premium)** means the maximum limit on the amount of life insurance, accidental dismemberment/paraplegia insurance and critical illness insurance coverage we will issue for any Loan or Lease as shown on your Insurance Enrolment.

Your disability insurance or loss of employment insurance benefit payments will be capped at the life insurance coverage amount or critical illness insurance coverage amount.

*NOTE: Any life insurance benefit, living benefit or critical illness benefit payable will include the Single Premium, even if the "Amount of Insured Loan or Lease" shown on your Insurance Enrolment exceeds the Maximum Insurance Available (excluding insurance premium).*

**Maximum Monthly Benefit Payable** means the maximum limit on the monthly amount of disability insurance and loss of employment insurance benefits we will pay for any Loan or Lease, as shown on your Insurance Enrolment.

**Maximum Term of Insurance** means the maximum period of time of which we will provide insurance on any Loan or Lease, as shown on your Insurance Enrolment.

*NOTE: Maximum Term of Insurance may be less than the term of your Loan or Lease. This means that when the Maximum Term of Insurance expires, your insurance coverage will end, and we will not pay any benefits after that time. If the term of your Loan or Lease is longer than the Maximum Term of Insurance, you may enrol for new insurance coverage when the Maximum Term of Insurance expires. Please refer to the heading Refinancing Your Loan or Lease for additional information.*

Your Loan or Lease will not be insured for the full duration of the Loan or Lease term if:

- the term of your Loan or Lease extends beyond the "Coverage Termination Age" shown on your Insurance Enrolment; or
- the disbursement of funds for your Loan or Lease is after your Effective Date of Insurance.

Once your insurance coverage has expired, we will not pay any benefits after that time.

If your "Loan/Lease Amount Excluding Insurance" and/or "Loan/Lease Payment Excluding Insurance" is greater than the Maximum Insurance Available (excluding insurance premium) and/or the Maximum Monthly Benefit Payable amount shown on your Insurance Enrolment, your Insured Loan/Lease will be capped at those stated values.

Those capped insured coverage amounts will be used to calculate the Single Premium and pay insurance benefits at the time of claim.

## Product Guide and Certificate of Insurance

### Reduced Insurance Benefits

If the “Amount of Insured Loan or Lease” is less than the “Loan/Lease Amount Excluding Insurance”, both shown on your Insurance Enrolment, a percentage of coverage is calculated, and the amount of the insurance benefit will be reduced proportionately. Single Premium insurance is based on the requested coverage amount of the Loan or Lease and the benefit paid at time of claim is pro-rated.

If the Loan/Lease Amount Excluding Insurance exceeds the Maximum Insurance Available (excluding insurance premium), then the amount of insurance benefit will be reduced proportionately.

*For Example:*

If your “Loan/Lease Amount Excluding Insurance” is \$120,000 and the “Amount of Insured Loan or Lease” shown on your Insurance Enrolment is \$60,000, then for a life insurance, living benefit or critical illness claim, we will pay 50 per cent (that is, \$60,000 divided by \$120,000) of the outstanding Loan or Lease balance plus 50 per cent of the Accrued Interest and Settlement Interest.

Similarly, if your Loan/Lease Amount Excluding Insurance is \$125,000 and the Maximum Insurance Available (excluding insurance premium) is \$100,000, then for a life insurance, living benefit or critical illness claim, we will pay 80 per cent (that is, \$100,000 divided by \$125,000) of the outstanding Loan or Lease balance plus 80 per cent of the Accrued Interest and Settlement Interest.

### Pre- Existing Condition Exclusion

*NOTE: We will not pay any insurance benefits or refund your Single Premium if your death, Critical Illness or Total Disability results directly or indirectly from, or is in any way related to, a Pre-Existing Condition.*

A **Pre-Existing Condition** is any illness, disease, bodily injury, condition or symptom (regardless of whether or not a Diagnosis has been made) for which you sought or received, or a prudent person would have sought or received, Medical Advice or Treatment within the specified Pre-Existing Condition Exclusion Period as shown on your Insurance Enrolment, immediately preceding the Effective Date of Insurance.

For this definition of Pre-Existing Condition:

- **Medical Advice or Treatment** means consultation with a Licensed Physician or registered Health Care Practitioner. This includes, but is not limited to, medical or paramedical treatment and investigative tests, taking pills or any prescription medication, or receiving injections, for any condition related to the illness, disease or bodily injury for which you have made a claim.
- **Health Care Practitioner** means a person lawfully entitled to provide insured health services, as defined under the Canada Health Act.

### How Does The Pre- Existing Condition Exclusion Work?

If you had symptoms or were treated for a medical condition within a specified period of time before your insurance coverage began, we will not pay any insurance benefits if your death, Critical Illness or Total Disability occurs within a specified period of time after your insurance coverage began. These specified periods of time are shown together on your Insurance Enrolment as the Pre-Existing Condition Exclusion Period.

*For Example:*

Your Pre-Existing Condition Exclusion Period shown on your Insurance Enrolment is “6/6”. You had symptoms and were treated for a heart condition five months before your coverage began. If you died, were Diagnosed with a Critical Illness, or first became Totally Disabled as a result of your heart condition, and your coverage had been in effect for less than six full months, we would not pay insurance benefits.

## Product Guide and Certificate of Insurance

### Single Premium Creditor's Group Insurance – Carefree

---

However, as long as you met all eligibility requirements for enrolment on the Effective Date of Insurance shown on your Insurance Enrolment, we would pay insurance benefits if you died or were initially Diagnosed with a Critical Illness, or first became Totally Disabled from your heart condition, any time after your coverage has been in effect for six full months.

If your claim for disability insurance benefits or critical illness insurance benefits was denied due to a Pre-Existing Condition, your insurance would remain in effect and continue.

#### **Pre- Existing Condition Exclusion Period**

The Pre-Existing Condition exclusion applies during the Pre-Existing Condition Exclusion Period shown on your Insurance Enrolment. We would pay insurance benefits if, after the Pre-Existing Condition Exclusion Period expired, you died, were Diagnosed with a Critical Illness or became Totally Disabled relating to a Pre-Existing Condition.

## Life Insurance

### **What Is The Life Insurance Benefit?**

If you have enrolled for life insurance coverage and you meet the terms and conditions of this Product Guide, when you die, we will pay a life insurance benefit to the Creditor, which will be equal to the Outstanding Balance of your Insured Loan/Lease on the date of your death, as calculated by the Creditor.

Life insurance benefits payable will not exceed the lesser of:

- the Outstanding Balance of your Insured Loan/Lease at the date of death multiplied by the percentage of coverage calculated; or
- the Maximum Insurance Available (excluding insurance premium) shown on your Insurance Enrolment.

We will also pay Accrued Interest on the Outstanding Balance of your Insured Loan/Lease as well as Settlement Interest to the Creditor.

*NOTE: If the amount of life insurance for which you have enrolled is less than your Loan/Lease Amount Excluding Insurance, the amount of your life benefit will be reduced as described under the heading: Reduced Insurance Benefits.*

This life insurance benefit is subject to the limitations and exclusions described in this Product Guide.

### **What Is A Living Benefit?**

If you have enrolled for life insurance coverage and meet the terms and conditions of this Product Guide, then you are eligible for the living benefit.

If you are Diagnosed with a terminal illness (your life expectancy is 12 months or less) as determined by a Licensed Physician we consider appropriate to make such a Diagnosis, you are eligible to make a living benefit claim.

We will pay an insurance benefit to the Creditor equal to the Outstanding Balance of your Insured Loan/Lease to the Creditor as of the date of your Diagnosis of your terminal illness, as calculated by the Creditor.

The amount of insurance payable for a living benefit will not exceed the lesser of:

- the Outstanding Balance of your Insured Loan/Lease as of the Date of Diagnosis multiplied by the percentage of coverage calculated; or
- the Maximum Insurance Available (excluding insurance premium) shown on your Insurance Enrolment.

We will also pay Accrued Interest on the applicable amount as calculated above, as well as Settlement Interest to the Creditor.

*NOTE: If the amount of life insurance for which you have enrolled is less than your Loan/Lease Amount Excluding Insurance, the amount of your living benefit will be reduced as described under the heading: Reduced Insurance Benefits.*

This living benefit is subject to the limitations and exclusions described in this Product Guide.

### EXCLUSIONS: When Your Life Insurance Benefit Will Not Be Paid

The life insurance benefit is not payable if your death results directly or indirectly from or is in any way related to:

- any Pre-Existing Condition;
- you committing Suicide within two years after the Effective Date of Insurance;
- your committing or attempting to commit a criminal offence;
- you using or ingesting any drug, alcohol, poisonous substance, intoxicant and/or narcotic other than as prescribed and administered by or in accordance with the instruction of a Licensed Physician;
- your operation or control of any motorized vehicle or watercraft with blood alcohol concentration in excess of legal limits in the applicable jurisdiction; or
- you or your estate representative not providing us with notice and proof of your claim within the time limits specified in this Product Guide.

**Suicide** means we will not pay a life insurance benefit if, within two years after the Effective Date of Insurance shown on your Insurance Enrolment, you die as a result of attempting to take your own life. If this happened, we would consider your insurance cancelled and we would pay a partial refund of your Single Premium as set out under the heading: Refund Of Premium On Cancellation.

## Accidental Dismemberment/Paraplegia Insurance

### What Is The Accidental Dismemberment/Paraplegia Insurance Benefit?

If you have enrolled for life insurance coverage and meet the terms and conditions of this Product Guide, then you are eligible for the accidental dismemberment/paraplegia benefit.

If you suffer Accidental Dismemberment or Paraplegia within 90 days of the date of an accidental bodily injury causing loss, we will pay an insurance benefit to the Creditor equal to the Outstanding Balance on your Insured Loan/Lease on the date of your Accidental Dismemberment or Paraplegia, as calculated by the Creditor.

### What Is Accidental Dismemberment/Paraplegia?

**Accidental Dismemberment** means the loss of one hand or both hands if completely severed through or above the wrist, the loss of one foot or both feet if completely severed through or above the ankle, or the entire and irrevocable loss of sight of both eyes.

**Paraplegia** means the total and permanent loss of use of both legs.

Accidental Dismemberment/Paraplegia insurance benefits payable will not exceed the lesser of:

- the Outstanding Balance of your Insured Loan/Lease as of the date of Accidental Dismemberment or Paraplegia; or
- the Maximum Insurance Available (excluding insurance premium) shown on your Insurance Enrolment.

We will also pay Accrued Interest on the Outstanding Balance of your Insured Loan/Lease as well as Settlement Interest to the Creditor.

### **EXCLUSIONS: When Your Accidental Dismemberment/Paraplegia Insurance Benefit Will Not Be Paid**

We will not pay an accidental dismemberment insurance benefit or paraplegia insurance benefit for a loss caused by or contributed to by:

## Critical Illness Insurance

### **What Is The Critical Illness Insurance Benefit?**

You are eligible to enrol for critical illness insurance on your Loan or Lease if, as of the Effective Date of Insurance shown on your Insurance Enrolment:

- you have also enrolled for life insurance on your Loan or Lease; and
- you have not had a claim for a critical illness insurance benefit under any creditor's group insurance policy or certificate of insurance issued by us.

The amount of critical illness insurance coverage for which you enrol must be the same as the amount of life insurance for which you enrol.

If you have enrolled for critical illness insurance coverage and you meet the terms and conditions of this Product Guide, we will pay an insurance benefit to the Creditor as of the date of your Diagnosis equal to the Outstanding Balance of your Insured Loan/Lease, as calculated by the Creditor. Your Diagnosis with a Critical Illness must be confirmed by appropriate results as described in this Product Guide.

To be eligible for a critical illness insurance benefit, your Diagnosis of Heart Attack, Stroke or Cancer must be made after the Effective Date of Insurance and before your insurance ends.

The amount of critical illness insurance benefit payable will be the lesser of:

- the Outstanding Balance of your Insured Loan/Lease as of the Date of Diagnosis multiplied by the percentage of coverage calculated; or

- be considered Actively at Work;
- be receiving Appropriate Medical Care, by a Licensed Physician we consider appropriate, for a medically determined sickness, disease or accidental bodily injury;
- not be engaged in any activity for wages or expectation of profit. However, at our sole discretion and judgement, we may continue to pay disability insurance benefits while you engage in a gradual Return to Work program or rehabilitative Employment we consider appropriate; and
- provide initial satisfactory proof of your Total Disability insurance claim and ongoing proof when requested.

At any time during the process of claiming or paying disability insurance benefits, we may require you to be assessed as we consider appropriate.

**Actively at Work** means you were working at any occupation for wages or profit and were capable of carrying out the substantial and material duties of that occupation for at least 20 hours per week for two consecutive weeks immediately preceding the Effective Date of Insurance or, if not, at any time between the Effective Date of Insurance and the date of Total Disability.

### Terms Specific To Disability And What They Mean

#### Elimination Period

The Elimination Period is like a waiting period, and is counted as a consecutive number of days between the beginning of your Total Disability and the time you are eligible for benefits; and can be either **Non-Retroactive** or **Retroactive**. You must become Totally Disabled and remain Totally Disabled throughout the Elimination Period before you are eligible for benefits.

We will start paying insurance benefits as of the expiry of the Elimination Period.

- a) **Non-Retroactive Elimination Period** means we will not pay benefits to the Creditor retroactively to the start of your Total Disability.
- b) **Retroactive** means we will pay insurance benefits to the Creditor retroactively to the start of your Total Disability.

You are responsible for making your regular Loan or Lease payments to the Creditor during the Elimination Period and while your claim is under review.

#### Totally Disabled and Total Disability

If you are Employed, are a Seasonal Employee or are Self-Employed as of the date you become Totally Disabled, then Totally Disabled and Total Disability mean:

- for the first 12 consecutive months from the date you became Totally Disabled, that:
  - a) you are not able to perform the substantial and material duties of your Principal Occupation; and
  - b) you are receiving Appropriate Medical Care; and

a) you are totally and continuously unable to carry out the normal Activities of Daily Living; and

b) you are receiving Appropriate Medical Care.

### Recurring Disabilities

A Recurring Disability means if your Total Disability recurs within six months after you recover from the same or related Total Disability, we will consider this to be a continuation of your previous Total Disability. The Recurring Disability benefit, whether paid consecutively or in aggregate, will not exceed the Maximum Benefit Period Per Occurrence as shown on your Insurance Enrolment.

### Concurrent Disabilities

A Concurrent Total Disability means you sustain a second Total Disability while you are already receiving disability benefits for an unrelated condition.

If this happens, a new Total Disability insurance claim can be submitted subject to the following:

- the medical condition causing the Concurrent Total Disability must be unrelated, (directly or indirectly) to the initial Total Disability; and
- if your Concurrent Total Disability insurance claim is approved and you are still Totally Disabled by it, we will begin payment of benefits on this new claim immediately after your initial Total Disability has ended. A new Maximum Benefit Period Per Occurrence will begin.

### When Do Disability Benefits Begin?

Once we have approved your claim, we will start paying disability insurance benefits to the Creditor as of the expiry of the Elimination Period.

Your "Insured Monthly Benefit" will not exceed the Maximum Monthly Benefit Payable, both shown on your Insurance Enrolment. The total amount of disability insurance benefits paid is subject to the Maximum Benefit Period Per Occurrence also shown on your Insurance Enrolment.

### EXCLUSIONS: When Your Disability Benefit Will Not Be Paid

The disability insurance benefit will not be payable if your Total Disability:

- is related to any Pre-Existing Condition;
- began prior to the Effective Date of Insurance;

### Reduced Benefits At Time Of Claim

If we decline your claim for insurance benefits on your Refinanced Loan or Lease due to an exclusion under the new Product Guide, but we would have paid benefits under your original Product Guide had your insurance coverage not ended due to the refinancing of your Loan or Lease, we will pay limited life insurance or disability insurance benefits. These benefits will be based on the type and amount of insurance coverage that we would otherwise have paid under the original Product Guide.

Continuation of claim payments from a prior Certificate does not apply if you are transferring your Loan or Lease to another financial institution or to a different Creditor's Group Insurance product issued by Co-operators Life.

### Refinancing Your Loan Or Lease While On Disability

If you are receiving disability benefits and you Refinance your Loan or Lease, you may apply for disability insurance coverage on your new Loan or Lease amount. As long as you are Totally Disabled, we will continue to pay disability insurance benefits to the extent of coverage under your previous Product Guide, and disability insurance coverage remains in force. However, your disability benefit will not exceed:

- the amount of the new Loan or Lease payment;
- the term of insurance on your new Loan or Lease; or
- the amount specified under the Maximum Monthly Benefit Payable.

### Important Time Limits For Taking Legal Action

If we decline your claim or terminate your insurance benefits, provincial laws strictly limit the time periods within which you may commence legal proceedings against an insurer to recover insurance benefits. This time period starts on the date we initially decline your claim or terminate insurance benefits.

Every action or proceeding against an Insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in applicable insurance legislation, or other applicable legislation.

### Simultaneous Claims

#### Life, Living Benefit, Accidental Dismemberment/Paraplegia and Critical Illness

If more than one Insured's death, Accidental Dismemberment/Paraplegia or Diagnosis of a Critical Illness or terminal illness occurs on the same date, only one benefit will be paid based on the first Insured to claim; at which time all insurance under this Product Guide will be terminated. In no circumstances will we pay more than the Outstanding Balance on your Insured Loan/Lease; nor will the benefit payable exceed the Maximum Insurance Available (excluding insurance premium).

#### Disability and Loss of Employment

If more than one Insured has a Total Disability and/or loss of employment claim at the same time, under the same Insured Loan/Lease, only one benefit will be paid at a time regardless of the number of individuals insured on the Loan or Lease. The benefit paid will be limited to the Maximum Benefit Period Per Occurrence and the Maximum Monthly Benefit Payable.

### Rights Of Examination

We may ask you to have a medical examination by a Physician of our choice. We will pay for this examination, but will not pay any benefits if you refuse to have the examination. In the event of a death claim, we have the right, where allowed by law, to ask for an autopsy.

## Additional Information About Your Insurance

### About Your Insurance Premium

**Single Premium** means the one-time, lump sum, total premium for all insurance coverage(s) for which you have enrolled. The Single Premium is considered to be the cost of your insurance.

When you enrol, the "Total Single Premium" shown on your Insurance Enrolment, is the sum of all premiums, plus applicable taxes. This amount is added to your "Loan/Lease Amount to be Insured", also shown on your Insurance Enrolment.

#### Premium Payments

Your Single Premium and applicable taxes are shown on your Insurance Enrolment as a lump sum for each type of insurance for which you have enrolled. This amount is included in the "Amount of Insured Loan or Lease" shown on your Insurance Enrolment.

#### Multi Insured Discount

If more than one Insured, as shown on the Insurance Enrolment, has enrolled for the same type of insurance coverage on the Insured Loan/Lease, a discount will be applied to the Single Premium.

## **Product Guide and Certificate of Insurance**

### **Single Premium Creditor's Group Insurance – Carefree**

---

#### **Cancellation Of Certificate Or Policy**

We reserve the right to cancel the Group Policy. If this happens, your Group Policyholder will notify you at least 30 days before the effective date of cancellation, and we will honour all valid claims arising before that date.

#### **Currency**

All amounts payable to or by us shall be in Canadian dollars.

#### **Material Misrepresentation**

If you misrepresent information at time of claim (that is, if you provide incorrect information or fail to disclose information), which is material or important to your insurance, your insurance may be void from the beginning and treated as if never in force. In case of misrepresentation, we would decline your claim and, except for fraud, refund your Single Premium, less our applicable processing fee.

#### **Misstatement Of Age**

If you misstated your age when you enrolled for insurance coverage, and as a result your correct age would have made you ineligible for Single Premium Creditor's Group Insurance coverage, the liability of Co-operators Life is limited to a refund of the Single Premium paid, and your insurance will be void as if it never existed. If this happened, we would decline your claim and refund your Single Premium, less our applicable processing fee.

If you would have been eligible for coverage based upon your correct age, we will make any adjustments to insurance benefits, premium or term that are necessary to continue coverage.

#### **Conformity With Statutes**

If, on the Effective Date of Insurance, any part of this Product Guide conflicts with the statutes governing this Product Guide, the provisions of such statutes shall govern.

## **Contestability Of Coverage**

#### **Contestability Period**

If you make a claim for insurance benefits within the first two years of coverage, we will review the information you provided in your Insurance Enrolment to confirm that it is correct and complete. We will determine whether or not material misrepresentation is applicable.

Except if you misstate your age on your Insurance Enrolment, once your insurance has been in force for more than two years, we will generally only review your information if there is evidence of fraud. This two-year period is sometimes referred to as the Contestability Period and is a concept set out in the provincial insurance legislation.

# How To Cancel Insurance Coverage

Your insurance coverage with Co-operators Life is entirely optional and voluntary and you may cancel it at any time.

However, you should keep in mind any conditions on your Loan or Lease which may require you to obtain insurance for the security of the Group Policyholder.

To cancel your insurance, please contact the Administrator at 1.866.269.0000.

You will have 30 days beginning on the Effective Date of Insurance to review this Product Guide.

If you cancel your insurance coverage within 30 days of your Effective Date of Insurance, provided no claim has been made, you will receive a full refund of any Single Premium that you have paid, and the insurance coverage will be deemed never to have been in force.

You may also cancel this insurance any time after the 30-day review period, in accordance with this Product Guide, and a partial refund of the Single Premium will be provided.

### Refund Of Single Premium On Cancellation

If you request cancellation of your insurance after the 30-day review period and before the last day of the "Maximum Term of Insurance" shown on your Insurance Enrolment, we will pay a partial refund of your Single Premium to the Creditor.

If you have added the Single Premium to your Loan or Lease, the Creditor will apply your refund to reduce or pay off your Insured Loan/Lease.

Your Single Premium refund will be calculated by the Administrator in the method chosen by the Creditor. We will calculate your Single Premium refund according to that refund method as explained further below, unless a different calculation is required by law.

#### Rule of 78 Refund Formula:

If the refund method chosen by the Creditor is Rule of 78, then your Single Premium refund will be calculated according to the Rule of 78 Refund Formula shown below:

$$\text{Rule of 78 Refund Formula: } \frac{(SP-CF) * T * (T+1)}{N * (N+1)}$$

In the formula above:

- "SP" is the Single Premium for your insurance coverage, less applicable taxes;
- "T" is the total number of months remaining in your original insurance coverage period, rounded up or down to the nearest whole month; and
- "N" is the total number of months in your original insurance coverage period.

$$\text{Pro-Rata Refund Formula: } \frac{SP * T}{N}$$

In the formula above:

- "SP" is the Single Premium for your insurance coverage, less applicable taxes;
- "T" is the total number of months remaining in your original insurance coverage period, rounded up or down to the nearest whole month; and
- "N" is the total number of months in your original insurance coverage period.

#### Simple Interest Refund Formula:

If the refund method chosen by the Creditor is Simple Interest, then your Single Premium refund will be calculated according to the Pro-Rata Refund Formula shown below:

**Simple Interest Refund Formula:**  $(\text{OBIL @ Time T}) - (\text{OBL @ Time T})$

Where:

- a) "OBIL" is the Outstanding Balance of your Insured Loan/Lease calculated according to the credit rate specified on your Loan or Lease documentation, which rate includes the cost of the Single Premium added to your Loan or Lease;
- b) "OBL" is the amount of the Outstanding Balance of your Loan or Lease would have been if you had not purchased Single Premium insurance on your Loan or Lease calculated according to the interest rate specified on your Loan or Lease documentation, which rate does not include the cost of the Single Premium added to your Loan or Lease; and
- c) "Time T" is the effective date of cancellation of your Single Premium insurance.

If you would like to obtain a quote for the amount of your Single Premium refund, you may contact the Administrator. If the cancellation date is more than 30 days after the effective date of insurance, an administrative fee of one hundred dollars (\$100.00) will be deducted from any refund. No refund will be paid if the amount is less than ten dollars (\$10.00) or if we have rescinded your insurance coverage due to fraud.
