This Product Guide includes information on all insurance coverage available under the Group Policy, including those that you may not have selected.

A summary of the principal provisions of the Group Policy is outlined in the following pages. If there is any conflict between the terms and conditions of the Product Guide and those described in the Group Policy, the terms and conditions of the Group Policy shall govern.

In this Product Guide, certain words have specific and defined meanings. These terms are explained under the heading "Definitions" and in other places throughout this document.

- b) who is named on the Insurance Enrolment and has enrolled for one or more types of insurance under the Group Policy;
- c) for whom we have received the Premium; and
- d) to whom we have issued a Product Guide.

The terms "we", "us", "our" and "Co-operators Life" refer to the Co-operators Life Insurance Company.

You may, at any time, request a copy of the Group Policy and any amendments made to it by contacting the Group Policyholder.

Please read this carefully and keep it in a safe place. You may need to refer to it later if you have questions about your insurance or if you need to make a claim.

Introduction

The Group Policy

Co-operators Life Insurance Company has issued a creditor's group insurance policy to the Group Policyholder specified on your Insurance Enrolment. The Group Policy provides creditor's group insurance, as described in this Product Guide, to eligible borrowers of the Group Policyholder who enrol and pay the required Premium.

The Group Policy and this Product Guide are non-participating. This means your insurance coverage has no cash value and pays no dividends.

Your Certificate Of Insurance

You are receiving this Product Guide and Certificate of Insurance because you chose to enrol in one or more types of insurance available to you under the Group Policy. It acts as your certificate of insurance and, along with your Insurance Enrolment (once insurance coverage is issued by us) is proof of your coverage under the Group Policy.

NOTE: The Group Policyholder may not offer all types of insurance described in this Product Guide. Please see your Insurance Enrolment to confirm the type of insurance for which you have enrolled.

The terms and conditions of your insurance are found in:

- your Insurance Enrolment;
- this Product Guide;
- the Group Policy and any amendments; and
- any offers of insurance coverage accepted by you in writing.

All rights and obligations under the Group Policy will be governed by the laws of Canada and the provincial jurisdiction in which you reside at time of enrolment.

You have the right to examine and obtain a copy of the Group Policy and certain other written statements or records you have submitted to us (if any), subject to certain access limitations.

The Importance of Monthly Premium Insurance

The Monthly Premium Creditor's Group Insurance underwritten by Co-operators Life is an optional insurance product which offers security during times of financial hardship caused by certain life events.

If your insurance Premium payments are up to date and the information you provided when you enrolled is complete and accurate, insurance benefits will be payable, subject to the applicable terms, conditions and exclusions, as set out in this Product Guide and Certificate of Insurance.

NOTE: You may be issued insurance coverage upon review of your application with exclusions not specified in this Product Guide. An offer will be sent to you separately regarding these exclusions, if any, which you will be required to accept in writing.

Insurance Benefits At A Glance

- **Life Insurance:** Pays off or reduces your Outstanding Balance on your Insured Line of Credit if you die.
- **Critical Illness Insurance:** Pays off or reduces your outstanding Insured Line of Credit if you are Diagnosed with a covered critical illness.
- **Disability Insurance:** Pays a monthly disability insurance benefit equal to three percent of the outstanding Insured Line of Credit if you become Totally Disabled.

Payment Of Insurance Benefits

If payable, insurance benefits will be paid to the Group Policyholder. As the creditor for your Insured Line of Credit, the Group Policyholder will apply the benefits towards the Outstanding Balance of your Insured Line of Credit or otherwise to your credit.

Eligibility Requirements – All Insurance

NOTE: You must meet the eligibility requirements explained below. If you do not, you will not have any insurance coverage under this Product Guide and Certificate of Insurance.

You are eligible to enrol for life insurance, critical illness insurance and disability insurance on your Line of Credit if, as of the Effective Date of Insurance or Requested Effective Date shown on your Insurance Enrolment:

- you are a Canadian resident (living in Canada at least six months out of the year);
- you have a legal obligation to repay your Line of Credit to the Group Policyholder, either as a borrower, co-borrower, co-signer, guarantor or endorser;
- you have a legal obligation to repay your Line of Credit to the Group Policyholder either as a Business owner, key person, or any person associated with the Business who is obligated to the debt;
- your age is within the Minimum/Maximum Eligibility Age for each type of insurance for which you have enrolled, as shown on your Insurance Enrolment; and
- you have not made a claim for a living benefit (accelerated death benefit) under any creditor's group insurance policy or certificate of insurance issued by us.

When Does Your Insurance Coverage Begin?

Your Effective Date of Insurance for Monthly Premium Creditor's Group Insurance coverage begins on the latest of the following dates:

- the Effective Date of Insurance or Requested Effective Date as stated on your Insurance Enrolment; or
- the date of written notice of approval of your Monthly Premium Insurance certificate.

If you would like to enrol for additional benefits which were previously waived, or make any changes to your existing coverage, you may contact the Group Policyholder for more information.

A debit of insurance Premium from your account, or the collection of insurance Premium in error, does not make insurance effective if you are not otherwise eligible or insurable for coverage.

When Does Your Insurance Coverage End?

All insurance coverage, that is, life insurance, critical illness and/or disability insurance coverage, for which you have enrolled, will end on the earlier of the following:

- a) the date you reach the Coverage Termination Age as shown on your Insurance Enrolment;
- b) the Expiry of Insurance, as shown on your Insurance Enrolment;
- c) the date we receive your written cancellation request, or, where insurance coverage is provided for more than one person, the date we receive a written cancellation request from all Insureds;
- d) the date you close your Insured Line of Credit;
- e) the date you are released, by operation of law, from your legal obligation to repay your Insured Line of Credit (whether upon discharge from bankruptcy or otherwise);
- f) the date you transfer or assign your Insured Line of Credit to a creditor other than the Group Policyholder;
- g) the date your insurance Premium is more than 75 days in arrears;
- h) the date we pay a living benefit under this Product Guide;
- i) the date the Group Policy is terminated in accordance with its terms; and
- j) the date of your death.

NOTE: If more than one borrower has been issued the same type of insurance coverage, as shown on your Insurance Enrolment, insurance may end for one borrower as described under this general heading. Insurance coverage which we have issued for other borrowers on the same enrolment may continue, subject to the terms and conditions contained in this Product Guide.

Limitations On Insurance Benefits

For all insurance, there are limits on the total amount of insurance you can obtain and how long your insurance will remain in force. For disability insurance, there are also limits on how long we will pay benefits if a claim is made. The amount of insurance coverage on your Line of Credit may be less than your Authorized Line of Credit Limit.

Maximum Benefit Period Per Occurrence means the maximum limit on the total number of months for which we will pay disability insurance benefits for a single claim, as shown on your Insurance Enrolment.

Maximum Cumulative Benefit Payable means the maximum limit on the total amount of disability insurance benefits we will pay for any Line of Credit, as shown on your Insurance Enrolment.

If your life insurance coverage amount or, if applicable, critical illness insurance coverage amount is less than the Maximum Cumulative Benefit Payable, your disability insurance benefit payments will be capped at the life or critical illness insurance coverage amount.

Maximum Insurance Available means the maximum limit on the amount of life insurance and critical illness insurance coverage we will issue for any Line of Credit as shown on your Insurance Enrolment.

Maximum Monthly Benefit Payable means the maximum limit on the monthly amount of disability insurance benefits we will pay for any Line of Credit, as shown on your Insurance Enrolment.

Once your insurance coverage has expired, we will not pay any benefits after that time.

Insurance Coverage Based on Authorized Line of Credit Limit

Guaranteed Maximum Insurance Amount

At time of enrolment, we will automatically issue the insurance coverage for which you have enrolled and you are not required to answer health questions if:

- you have enrolled for insurance coverage on your Line of Credit based on an amount less than or equal to the Guaranteed Maximum Insurance Amount shown on your Insurance Enrolment; and
- you meet all of the eligibility requirements when you complete your Insurance Enrolment.

Reduced Insurance Benefit

If we do not issue insurance coverage above the Guaranteed Maximum Insurance Amount

If you enrol for, but we do not issue, insurance coverage above the Guaranteed Maximum Insurance Amount shown on your Insurance Enrolment, you will then be issued insurance coverage at the Guaranteed Maximum Insurance Amount. We will notify you of this revised amount in writing. Insurance Premium may be different as a result.

The Guaranteed Maximum Insurance Amount is only available at the time insurance coverage is issued.

NOTE: For disability insurance coverage, the Maximum Monthly Disability Benefit and the Maximum Cumulative Benefit Payable shown on your Insurance Enrolment will be reduced to reflect the amount of disability insurance coverage we have issued.

If your Authorized Line of Credit amount is greater than the Maximum Insurance Available amount shown on your Insurance Enrolment, and if you enrol for and we issue insurance coverage, your Insured Line of Credit will be capped at the Maximum Insurance Available amount. This capped insured coverage amount will be used to calculate Premium and pay insurance benefits at the time of claim.

Pre-Existing Condition Exclusion

Insurance coverage less than or equal to the Guaranteed Maximum Insurance Amount

NOTE: If your Insured Line of Credit is equal to or less than the Guaranteed Maximum Insurance Amount shown on your Insurance Enrolment, we will not pay any insurance benefits or refund your monthly Premium if your life, living benefit, critical illness or Total Disability claim results directly or indirectly from, or is in any way related to, a Pre-Existing Condition.

A **Pre-Existing Condition** is any illness, disease, bodily injury, condition or symptom (regardless of whether or not a Diagnosis has been made) for which you sought or received, or a prudent person would have sought or received, Medical Advice or Treatment within the specified Pre-Existing Condition (PEC) Exclusion Period (in months) as shown on your Insurance Enrolment, immediately preceding the Effective Date of Insurance.

For this definition of Pre-Existing Condition:

- **Medical Advice or Treatment** means consultation with any Licensed Physician or registered Health Care Practitioner. This includes, but is not limited to, medical or paramedical treatment and investigative tests, taking pills or any prescription medication, or receiving injections, for any condition related to the illness, disease or bodily injury for which you have made a claim.
- **Health Care Practitioner** means a person lawfully entitled to provide insured health services, as defined under the Canada Health Act.

How Does The Pre-Existing Condition Exclusion Work?

If you had symptoms or were treated for a medical condition within a specified period of time before your insurance coverage began, we will not pay any insurance benefits if your life, living benefit, critical illness or Total Disability claim occurs within a specified period of time after your insurance coverage began. These specified periods of time are shown together on your Insurance Enrolment (in months) as the Pre-Existing Condition Exclusion Period.

For Example:

Your Pre-Existing Condition Exclusion Period shown on your Insurance Enrolment (in months) is "6/6". You had symptoms and were treated for a heart condition five months before your coverage began. If your life, living benefit, critical illness or Total Disability claim occurred as a result of your heart condition, and your coverage had been in effect for less than six full months, we would not pay insurance benefits.

However, as long as you met all eligibility requirements for enrolment on the Effective Date of Insurance shown on your Insurance Enrolment, we would pay insurance benefits if your life, living benefit, critical illness or Total Disability claim occurred as a result of your heart condition, any time after your coverage has been in effect for six full months.

However, if your claim for disability insurance benefits or critical illness insurance benefits was denied due to a Pre-Existing Condition, your insurance would remain in effect and continue.

Pre-Existing Condition Exclusion Period

The Pre-Existing Condition exclusion applies during the Pre-Existing Condition Exclusion Period shown on your Insurance Enrolment. We would pay insurance benefits if, after the Pre-Existing Condition Exclusion Period expired, your life, living benefit, critical illness or Total Disability claim was related to a Pre-Existing Condition.

Life Insurance

Applying for Coverage

If you are applying for life insurance coverage, you must answer the health questions on the Insurance Enrolment if:

- your Authorized Line of Credit Limit is higher than the Guaranteed Maximum Insurance Amount shown on your Insurance Enrolment; and
- you have enrolled for insurance coverage based on more than the Guaranteed Maximum Insurance Amount.

Your answers help us assess your eligibility for the amount of insurance for which you have enrolled.

Your application for insurance coverage may be automatically issued. If your application does not qualify for automatic approval, then we will also ask you to provide us with additional health, medical or other information as part of our assessment.

When we have completed our review of your eligibility for life insurance, we will notify you in writing if we issue or decline your application for life insurance coverage.

What Is The Life Insurance Benefit?

If you have been issued life insurance coverage and you meet the terms and conditions of this Product Guide, when you die, we will pay a life insurance benefit calculated as outlined below.

If you Die from an Accident

If you die from an Accident, we will pay a life insurance benefit equal to the Outstanding Balance of your Insured Line of Credit as of the date of your death, as calculated by the Group Policyholder.

We will also pay Accrued Interest on the applicable amount as calculated above as well as Cheques in Transit and Settlement Interest.

If you Die from Other Causes

If you die from causes other than an Accident, we will pay a life insurance benefit equal to the lesser of the following amounts, as calculated by the Group Policyholder:

- the Outstanding Balance of your Insured Line of Credit as of the date of your death; and
- 110 per cent of the average monthly Outstanding Balance of your Insured Line of Credit for the 12 month period preceding the date of your death.

We will also pay Accrued Interest on the applicable amount as calculated above, as well as Cheques in Transit and Settlement Interest.

Life insurance benefits payable will not exceed:

- the amount of insurance coverage which we have issued to you; or
- the Maximum Insurance Available shown on your Insurance Enrolment.

NOTE: If the amount of insurance for which you have enrolled and we have issued is less than your Authorized Line of Credit Limit, the amount of your life insurance benefit will be reduced as described under the heading: Reduced Insurance Benefit.

This life insurance benefit is subject to the limitations and exclusions described in this Product Guide.

What Is A Living Benefit?

If we issue life insurance coverage to you, then you are eligible for the living benefit (accelerated death benefit).

If you are Diagnosed with a terminal illness (your life expectancy from that terminal illness is 12 months or less) as determined by a Licensed Physician we consider appropriate to make such a Diagnosis, you are eligible to make a living benefit claim.

NOTE: A living benefit claim must be made prior to death occurring.

We will pay an insurance benefit based on the date of your Diagnosis equal to the lesser of the following amounts, as calculated by the Group Policyholder:

The amount of living benefit payable will be the lesser of:

- the Outstanding Balance of your Insured Line of Credit as of the Date of Diagnosis of your terminal illness; and
- 110 per cent of the average monthly Outstanding Balance of your Insured Line of Credit for the 12 month period preceding the Date of Diagnosis of your terminal illness.

We will also pay Accrued Interest on the applicable amount as calculated above, as well as Cheques in Transit and Settlement Interest.

The amount of insurance payable for a living benefit will not exceed:

- the amount of life insurance coverage which we have issued to you; or
- the Maximum Insurance Available shown on your Insurance Enrolment.

NOTE: If the amount of insurance for which you have enrolled and we have issued is less than your Authorized Line of Credit Limit, your living benefit insurance amount will be reduced as described under the heading: Reduced Insurance Benefit.

This living benefit is subject to the limitations and exclusions described in this Product Guide.

EXCLUSIONS: When Your Life Insurance Benefit Will Not Be Paid

The life insurance benefit or living benefit is not payable if your cause of loss results directly or indirectly from or is in any way related to:

- you committing Suicide within two years after the Effective Date of Insurance (applicable to life insurance benefit only);
- you committing or attempting to commit a criminal offence;
- you using or ingesting any drug, alcohol, poisonous substance, intoxicant and/or narcotic other than as prescribed and administered by or in accordance with the instruction of a Licensed Physician;

- your operation or control of any motorized vehicle or watercraft with blood alcohol concentration in excess of legal limits in the applicable jurisdiction; or
- you or your estate representative not providing us with notice and proof of your claim within the time limits specified in this Product Guide.

After Payment of a Critical Illness Insurance Benefit

We will not pay a life insurance benefit if, within 12 months of the date you were Diagnosed with a critical illness, you die from any illness, disease, bodily injury, or condition (regardless of whether or not a Diagnosis has been made) related directly or indirectly to the Diagnosis for which we paid the critical illness insurance benefit.

Critical Illness Insurance

Applying for Coverage

You are eligible to enrol for critical illness insurance on your Line of Credit if, as of the Effective Date of Insurance or Requested Effective Date shown on your Insurance Enrolment:

- you have also enrolled for life insurance on your Line of Credit; and
- you have not had a claim for a critical illness insurance benefit under any creditor's group insurance policy or certificate of insurance issued by us.

The amount of critical illness insurance coverage for which you enrol must be the same as the amount of life insurance for which you enrol.

If you are applying for critical illness insurance coverage, you must answer the health questions on the Insurance Enrolment if:

- your Authorized Line of Credit Limit is higher than the Guaranteed Maximum Insurance Amount shown on your Insurance Enrolment; and
- you have enrolled for insurance coverage based on more than the Guaranteed Maximum Insurance Amount.

Your answers help us assess your eligibility for the amount of insurance for which you have enrolled.

Your application for insurance coverage may be automatically issued. If your application does not qualify for automatic approval, then we will also ask you to provide us with additional health, medical or other information as part of our assessment.

When we have completed our review of your eligibility for critical illness insurance, we will notify you in writing if we issue or decline your critical illness insurance coverage.

What is the Critical Illness Insurance Benefit?

If you have been issued critical illness insurance coverage and you meet the terms and conditions of this Product Guide, we will pay an insurance benefit as of the date of your Diagnosis with a critical illness as confirmed by appropriate results.

NOTE: If you are Diagnosed with a critical illness and we pay a critical illness insurance benefit under this Product Guide, your critical illness insurance will end. However, your life insurance (and, if applicable, disability insurance) will continue, subject to the exclusions described in this Product Guide.

To be eligible for a critical illness insurance benefit, your Diagnosis of heart attack, stroke or cancer must be made after the Effective Date of Insurance and before your insurance ends.

If you are Diagnosed with a critical illness, we will pay a critical illness insurance benefit equal to the lesser of the following amounts, as calculated by the Group Policyholder:

- the Outstanding Balance of your Insured Line of Credit as of the Date of Diagnosis of your critical illness; and
- 110 per cent of the average monthly Outstanding Balance of your Insured Line of Credit for the 12 month period preceding the Date of Diagnosis of your critical illness.

We will also pay Accrued Interest on the applicable amount as calculated above as well as Cheques in Transit and Settlement Interest.

Critical Illness insurance benefits payable will not exceed:

- the amount of insurance coverage which we have issued to you; or
- the Maximum Insurance Available shown on your Insurance Enrolment.

NOTE: If the amount of insurance for which you have enrolled and we have issued is less than your Authorized Line of Credit Limit, the amount of your critical illness insurance benefit will be reduced as described under the heading: Reduced Insurance Benefit.

This critical illness insurance benefit is subject to the limitations and exclusions described in this Product Guide.

If this happens, we will cancel your critical illness insurance coverage and provide a full refund of any Premium paid for this coverage.

Pre-Existing Cancer Exclusion

Insurance coverage less than or equal to the Guaranteed Maximum Insurance Amount

The pre-existing cancer exclusion explained below applies only if your critical illness insurance coverage is less than or equal to the Guaranteed Maximum Insurance Amount stated on your Insurance Enrolment.

We will not pay a critical illness insurance benefit for a Diagnosis of cancer if you had any cancer at any time before the Effective Date of Insurance.

NOTE: For critical illness insurance, the Pre-Existing Condition Exclusion Period shown on your Insurance Enrolment does not apply if you have ever had any form of cancer (that is, not just a form of cancer covered by critical illness insurance available under this Product Guide). If this applies to you, we will not pay a critical illness insurance benefit for any Diagnosis of cancer. We explain this further below.

If at any time prior to the Effective Date of Insurance:

- you were Diagnosed with any cancer; or
- if you were not yet Diagnosed with any cancer, but:
 - a) you had apparent signs or symptoms of any cancer; or
 - b) you sought or received, or a prudent person would have sought or received, Medical Advice or Treatment relating to the apparent signs or symptoms of any cancer;

Then we will not pay a critical illness insurance benefit for:

- your Diagnosis of a covered cancer;
- any recurrence of that covered cancer; or
- any future Diagnosis of any other covered cancer.

For the purposes of this pre-existing cancer exclusion:

- **Any cancer** means any form of cancer (that is, not just a form of cancer covered by critical illness insurance under this Product Guide).
- **Covered cancer** means a form of cancer covered by critical illness insurance under this Product Guide, subject to this pre-existing cancer exclusion.
- **Non-covered cancer** means a form of cancer that is not covered by critical illness insurance under this Product Guide.

Disability Insurance

Applying for Coverage

If you are applying for disability insurance coverage, you must answer the health questions on the Insurance Enrolment if:

- your Authorized Line of Credit Limit is higher than the Guaranteed Maximum Insurance Amount shown on your Insurance Enrolment; and
- you have enrolled for insurance coverage based on more than the Guaranteed Maximum Insurance Amount.

Your answers help us assess your eligibility for the amount of insurance for which you have enrolled.

Your application for insurance coverage may be automatically issued. If your application does not qualify for automatic approval, then we will also ask you to provide us with additional health, medical or other information as part of our assessment.

When we have completed our review of your eligibility for disability insurance, we will notify you in writing if we issue or decline your disability insurance coverage.

If we decline your application for disability insurance coverage, we may be able to offer you insurance coverage with exclusions, based on the amount of insurance for which you have enrolled. If applicable, we will make our offer in writing, which you will have an opportunity to accept or decline within the time limit specified.

What Is The Disability Insurance Benefit?

If you have been issued disability insurance coverage and you meet the terms and conditions of this Product Guide, we will pay a disability insurance benefit as outlined below.

If you become Totally Disabled from an Accident

If you become Totally Disabled from an Accident, we will pay a monthly disability insurance benefit equal to three per cent of the Outstanding Balance of your Insured Line of Credit as calculated by the Group Policyholder, as of the date of your Total Disability.

The monthly disability insurance benefit payable will not exceed the Maximum Monthly Benefit Payable shown on your Insurance Enrolment.

If you become Totally Disabled from Other Causes

If you become Totally Disabled from causes other than an Accident, we will pay a monthly disability insurance benefit equal to three per cent of the lesser of the following amounts, as calculated by the Group Policyholder:

- the Outstanding Balance of your Insured Line of Credit as of the date of your Total Disability; and
- 110 per cent of the average monthly Outstanding Balance of your Insured Line of Credit for the 12 month period preceding the date of your Total Disability.

Disability insurance benefits will not exceed:

- the amount of insurance coverage which we have issued to you;
- the Maximum Cumulative Benefit Payable shown on your Insurance Enrolment; or
- the Maximum Monthly Benefit Payable shown on your Insurance Enrolment.

You are responsible to make up any deficiency between your monthly Line of Credit payment amount and the disability insurance benefit.

This disability insurance benefit is subject to the limitations and exclusions described in this Product Guide.

What Is A Disability?

A disability is a medical impairment due to injury or illness which prevents you from performing the regular duties of your Principal Occupation for the first 12 months of disability, and following this, prevents you from performing the duties of any occupation.

To qualify for disability insurance benefits and to continue to receive these benefits, you must:

- be considered Actively at Work;
- be receiving Appropriate Medical Care, by a Licensed Physician we consider appropriate, for a medically determined sickness, disease, bodily injury, or donation of an organ or tissue;

- not be engaged in any activity for wages or expectation of profit. However, at our sole discretion and judgement, we may continue to pay disability insurance benefits while you engage in a gradual Return to Work program or rehabilitative Employment we consider appropriate; and
- provide initial satisfactory proof of your Total Disability claim and ongoing proof when requested.

At any time during the process of claiming or paying disability insurance benefits, we may require you to be assessed as we consider appropriate.

Terms specific to Disability Insurance and what they mean:

Elimination Period

The Elimination Period is like a waiting period, counted as a consecutive number of days between the beginning of your Total Disability and the time you are eligible for benefits. You must become Totally Disabled and remain Totally Disabled throughout the Elimination Period which is shown on your Insurance Enrolment, before you are eligible for benefits.

You are responsible for making your regular Line of Credit payments during the Elimination Period and while your claim is under review.

Totally Disabled and Total Disability

If you are Employed, Self-Employed, or a Seasonal Employee as of the date you became Totally Disabled, then Totally Disabled and Total Disability mean:

- for the first 12 consecutive months from the date you became Totally Disabled, that:
 - a) you are not able to perform the substantial and material duties of your Principal Occupation; and
 - b) you are receiving Appropriate Medical Care; and
- after the first 12 consecutive months of Total Disability, then Totally Disabled and Total Disability mean that:
 - a) you are not able to perform the duties of any occupation for which you are reasonably qualified by education, training or experience; and
 - b) you are receiving Appropriate Medical Care.

If you are unemployed, not working, retired, or receiving provincial, federal or any other benefits at the time you became Totally Disabled, then Totally Disabled and Total Disability mean:

- a) the definite diagnosis of your total inability, due to disease or injury, to perform independently;
 - i) with or without the aid of assistive devices;
 - ii) at least 3 of 6 Activities of Daily Living; and
 - iii) the diagnosis must be made by a Physician supported by an independent home care assessment made by an occupation therapist or equivalent
- b) you are receiving Appropriate Medical Care.

Activities of Daily Living means the ability to perform all the basic needs of: eating, bathing, dressing, toileting, transferring and continence. The Activities of Daily Living are defined as follows:

- **bathing:** washing oneself in a bathtub, shower or by sponge bath;
- **dressing:** Putting on and removing necessary clothing, braces, artificial limbs or other surgical appliances;
- **toileting:** getting on and off the toilet and maintaining personal hygiene;
- **bladder and bowel continence:** managing your bladder and bowel function with or without protective undergarments or surgical appliances so that hygiene is maintained;
- **transferring:** moving in and out of a bed, chair or wheelchair; and
- **feeding:** consuming food or drink that already have been prepared and made available.

NOTE: If we approve your claim for disability insurance benefits, the monthly disability insurance benefit amount will be calculated and will remain the same for the duration of the claim period. If you add to or pay down the Outstanding Balance of your Insured Line of Credit after the date of your Total Disability, the monthly benefit amount we pay will not change.

Recurring Disabilities

If your Total Disability recurs within six months after you recover from the same or a related Total Disability, we will consider this to be a continuation of your previous Total Disability. If this happens, the Elimination Period shown on your Insurance Enrolment will not apply to your claim for recurrence.

The recurring disability insurance benefit, whether paid consecutively or in aggregate, will not exceed the Maximum Benefit Period Per Occurrence as shown on your Insurance Enrolment.

Concurrent Disabilities

A concurrent Total Disability means you sustain a second Total Disability while you are already receiving disability insurance benefits for an unrelated condition.

If this happens, a new Total Disability claim can be submitted subject to the following:

- the medical condition causing the concurrent Total Disability must be unrelated, (directly or indirectly) to the initial Total Disability; and
- if your concurrent Total Disability claim is approved and you are still Totally Disabled by it, we will begin payment of benefits on this new claim immediately after your initial Total Disability has ended. A new maximum benefit period will begin.

When Do Disability Benefits Begin?

Once we have approved your claim, we will start paying disability insurance benefits as of the expiry of the Elimination Period.

Your monthly disability insurance benefit will be calculated as stated above under the heading: What is the Disability Insurance Benefit? This amount will not exceed the Maximum Monthly Benefit Payable shown on your Insurance Enrolment. The total amount of disability insurance benefits paid will not exceed the Maximum Cumulative Benefit Payable and is subject to the Maximum Benefit Period Per Occurrence also shown on your Insurance Enrolment.

EXCLUSIONS: When Your Disability Benefit Will Not Be Paid

The disability insurance benefit will not be payable if your Total Disability:

- began prior to the Effective Date of Insurance;
- is related to any offers for disability insurance with exclusions accepted by you in writing;
- results from your normal pregnancy (that is, your pregnancy is not Diagnosed as high risk by a Licensed Physician we consider appropriate);
- began when you were confined, as a result of criminal proceedings against you, to a penal institution, government detention facility, hospital or similar institution;
- began after your insurance coverage ended;
- is related to you attempting to take your own life, regardless of your state of mind and whether you are aware or not of the result of your actions;
- is related to you committing or attempting to commit a criminal offence;
- is related to you using, ingesting or enrolled in a rehabilitation program for ingesting any drug, alcohol, poisonous substance, intoxicant and/or narcotic other than as prescribed and administered by or in accordance with the instruction of a Licensed Physician;
- is related to your operation or control of any motorized vehicle or watercraft with blood alcohol concentration in excess of legal limits in the applicable jurisdiction;
- is related to an elective surgery; or
- you or your estate representative not providing us with notice and proof of your claim within the time limits specified in this Product Guide.

After Payment of a Critical Illness Insurance Benefit: We will not pay a disability insurance benefit if, within 12 months of the date you were Diagnosed with a critical illness, you become Totally Disabled from any illness, disease, bodily injury, or condition (regardless of whether or not a Diagnosis has been made) related directly or indirectly to the Diagnosis for which we paid the critical illness insurance benefit.

When Do Disability Insurance Benefits End?

Disability insurance benefits will be paid until the earliest of the following:

- the date you are no longer Totally Disabled;
- the date disability insurance benefit payments have reached the Maximum Benefit Period Per Occurrence in months shown on your Insurance Enrolment;
- the date the cumulative total of all disability insurance benefits we have paid equals the Maximum Cumulative Benefit Payable shown on your Insurance Enrolment;
- the date your Line of Credit is paid out;
- the date you become confined, as a result of criminal proceedings against you, to a penal institution government detention facility, hospital or similar institution;
- the date you participate in any Business or occupation for wages or profit;
- you are no longer under the active care of a Physician;
- you refuse to submit to a medical exam by a Physician selected by us;
- the date you fail to provide satisfactory proof of continuing Total Disability;
- the date your insurance ends, as described under the heading: When does your insurance coverage end?; or
- the date the cumulative total of all the monthly disability insurance benefits we have paid for your Total Disability equals:
 - a) the Outstanding Balance of your Insured Line of Credit on the date of your Total Disability; or
 - b) 110 per cent of the average monthly Outstanding Balance of your Insured Line of Credit for the 12 month period preceding the date of your Total Disability.

NOTE: If the Maximum Cumulative Benefit Payable, shown on your insurance enrolment, for disability insurance benefits has been reached, your disability insurance coverage will be terminated, and insurance premiums for this coverage will cease.

Refinancing Your Line of Credit

Refinance means you and the Group Policyholder agree to Refinance, replace, renew, extend or otherwise amend your Insured Line of Credit.

If you Refinance your Line of Credit, you will have the option to reapply for insurance coverage on the new Line of Credit amount, or maintain your existing Line of Credit insurance coverage.

What Happens On Refinancing?

If you enrol for, and we issue insurance coverage on, the new Line of Credit amount, you will be issued a new Product Guide and Certificate of Insurance, which will replace all of the terms and conditions of your previous certificate of insurance.

If you enrol for, and we issue coverage above the Guaranteed Maximum Insurance Amount on your new Authorized Line of Credit Limit, all exclusions, restrictions and limitations for your new insurance coverage will apply as of the Effective Date of Insurance for your new insurance coverage amount(s).

NOTE: If you Refinance, and choose not to reapply for insurance coverage, or to maintain your existing Line of Credit insurance coverage, your coverage will remain in effect until the date we receive your written cancellation request, or, where insurance coverage is provided for more than one person, the date we receive a written cancellation request from all Insureds.

**Prior Coverage Recognition –
(Applicable for Single Borrower Coverage Only)**

If during the authorization of a Line of Credit increase, your application for new insurance coverage is not issued, we may provide an offer to recognize the insurance coverage that was in effect immediately prior to the Authorized Line of Credit Limit increase, subject to the limits and conditions of the prior certificate.

Prior Coverage Recognition is available when only one individual has applied for Line of Credit insurance on a Refinance.

Prior Coverage Recognition will only be applicable when we receive confirmation from you in writing of our offer to maintain existing insurance coverage.

If you do not accept our offer to maintain existing insurance coverage, we will issue coverage to the Guaranteed Maximum Insurance Amount which may have different rates.

Claim payments will be calculated on the insurance coverage issued as a result of the Prior Coverage Recognition Offer.

**Prior Coverage Recognition Example -
(Applicable for Single Borrower Coverage Only)**

You have an existing Insured Line of Credit of \$100,000. Your Authorized Line of Credit Limit has increased to \$150,000 and you have chosen to apply for life, critical illness, and disability insurance.

Coverage type	Life Insurance / Critical Illness Insurance / Disability Insurance Coverage issued
Original Line of Credit Amount:	\$100,000
Authorized Line of Credit Limit Increase by Group Policyholder to \$150,000	Application for insurance to be processed
Application for Insurance Coverage Declined on Line of Credit Increase (\$150,000)	Offer made to maintain existing insurance coverage amount. All terms and conditions of prior coverage apply.
Offer Accepted	Coverage = \$100,000
Offer Not Accepted	Coverage = Guaranteed Maximum Insurance Amount (Premium rates subject to change)

Refinancing Your Line of Credit While on Disability

If you are receiving disability insurance benefits and you Refinance your Line of Credit, you may apply for disability insurance coverage on your new Line of Credit amount.

If your application for disability insurance coverage on the new Line of Credit amount is declined, as long as you are Totally Disabled, we will continue to pay disability insurance benefits to the extent of coverage under your previous certificate of insurance, and disability insurance coverage remains in force. However, your disability benefit will not exceed:

- three percent of your new insured disability coverage amount; or
- the amount specified under the Maximum Monthly Benefit Payable.

Continuation of claim payments from a prior Certificate does not apply if you are transferring your Line of Credit to another financial institution or to a different Creditor's Group Insurance product issued by Co-operators Life.

Proof Of Claim

Life Insurance Claim

To make a life insurance claim, the Group Policyholder is the first point of contact for your next of kin or your estate representative. The Group Policyholder has access to the required claim forms, will assist in completing those forms and will know what supporting Line of Credit information we require. Once completed, the Group Policyholder will submit the necessary documents to us and initiate the claim.

We will coordinate obtaining the required information with the Group Policyholder and your estate representative. The Group Policyholder will be notified when a claim decision has been made who will then notify your estate representative. At any time your estate representative may contact us or the Group Policyholder for the status of the claim.

NOTE: Your estate representative must submit notice and proof of claim within one year of the date of your death. This includes proof of your death and all other supporting documentation which we require.

Living Benefit, Critical Illness Or Disability Insurance Claim

To make a living benefit, critical illness, or disability insurance claim, contact our Claims Centre. When you make the initial call, we will start by asking you for information so we can identify you and your Line of Credit. The information we require to establish your entitlement to benefits may be different for each type of claim.

After your claim is submitted, we will let you know if we require additional documentation or information. We will also ask you to complete and return to us an authorization form so we may obtain information directly from your Physician(s), employer or other sources we consider appropriate.

Please note you will remain legally responsible to make your Line of Credit payments and pay your insurance Premium to the Group Policyholder throughout the course of any claim. We will notify you and the Group Policyholder in writing if we approve or decline your claim. If we approve your claim, we will pay the benefits described in this Product Guide. If we decline your claim, we will provide you with reasons.

*NOTE: You must provide us with written notice **within 30 days** of the date your claim first arises (that is, the date you were Diagnosed with a terminal illness, critical illness or you first became Totally Disabled). You must also submit proof of your claim, in a form we consider acceptable, **within 90 days** of the date your claim first arises. If we do not receive notice of claim within these specified time limits, you must provide a written reasonable cause for delay within one year of the date of claim, or as set out in provincial insurance legislation.*

Other Important Claim Information

Appealing Your Claim

If the insurance claim is declined and there is disagreement with our decision, a formal written request to appeal may be submitted. Important Time Limits For Taking Legal Action

Provincial Insurance legislation states:

Every action or proceeding against an Insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act or other applicable legislation.

This means, if we decline your claim or terminate your insurance benefits, provincial laws strictly limit the time periods within which you may commence legal proceedings against us to recover insurance benefits. This time period starts on the date we initially decline your claim or terminate insurance benefits.

Simultaneous Claims

Life, Critical Illness and Living Benefit

If more than one Insured's death or Diagnosis of a critical illness or terminal illness occurs on the same date, only one benefit will be paid based on the first Insured to claim; at which time all insurance under this Product Guide will be terminated. In no circumstances will we pay more than the Outstanding Balance on your Insured Line of Credit; nor will the benefit payable exceed the Maximum Insurance Available.

Disability

If more than one Insured has a Total Disability claim at the same time, under the same Line of Credit, only one benefit will be paid at a time, regardless of the number of individuals insured on the Line of Credit. The benefit paid will be limited to the Maximum Benefit Period Per Occurrence and the Maximum Monthly Benefit Payable.

Rights Of Examination

We may ask you to have a medical examination by a Physician of our choice. We will pay for this examination, but will not pay any benefits if you refuse to have the examination.

Additional Information About Your Insurance

About Your Insurance Premium

Premium means the total premium payable for all insurance coverage(s) for which you have elected to enrol and we have issued. The Premium is considered to be the cost of your insurance.

Your monthly insurance Premium is calculated based on your attained age at the end of each billing period and the Outstanding Balance of your Insured Line of Credit Loan for the previous month, as calculated by the Group Policyholder. This means, your monthly premium rates will increase with age according to age bands, each of which is generally five years. For example: ages 26 to 30, ages 30 to 35, ages 36 to 40, etc. Your insurance Premium is calculated for each type of insurance for which you enrol and we issue coverage. Further information about the monthly premium and age banded rates is available from the Group Policyholder.

If your Authorized Line of Credit Limit is more than the amount of insurance coverage we have issued to you, your monthly insurance Premium will be based on the amount of insurance we have issued.

Premium Payments

Each month, your insurance Premium, plus applicable taxes, is payable to Co-operators Life and is withdrawn from the account you specified, and in accordance with terms on your Insurance Enrolment.

If the average Outstanding Balance on your Insured Line of Credit is zero in any given month, no Premium is charged.

Missed Premium Payments and Grace Period

To keep your insurance in force, your Premium must be paid when due.

Grace Period

If your Premium is not paid when due and remains unpaid, your insurance coverage will remain in force for a Grace Period of 75 days. After this time, your insurance will lapse (that is, automatically end) and you will not have any insurance coverage under this Product Guide.

The Grace Period will not apply if this Policy is terminated by us or by the Group Policyholder.

Claim arising during Grace Period

If you die, become Totally Disabled or are Diagnosed with a critical illness or terminal illness during the Grace Period, we will calculate any insurance benefits that may be payable based on the end of the period to which your last payment of Premium applied. We may also deduct any unpaid Premium from any insurance benefits that may be payable.

Multi Insured Discount

A Premium discount will apply if more than one Insured, as shown on your Insurance Enrolment, has been issued coverage for the same type of insurance on the Line of Credit.

Premium will be calculated for each Insured and added together. The discount will be applied on the total Premium and will be adjusted according to the number of Insureds with the same type of benefit.

Premium Rate Changes

Under the terms of the Group Policy, we may change Premium rates on written notice to the Group Policyholder. Written notice will also be sent to you by regular mail to your address as it appears on file, at least 30 days before the Premium rate is changed. Except in cases where a change in legislation or regulation directly affects the insurance coverage provided under the Group Policy, the Premium rate will not be changed more than once in any twelve (12) month period.

Cancellation Of Certificate Or Policy

We reserve the right to cancel the Group Policy. If this happens, your Group Policyholder will notify you at least 30 days before the effective date of cancellation, and we will honour all valid claims arising before that date.

Currency

All amounts payable to or by us shall be in Canadian dollars.

Material Misrepresentation

A material misrepresentation occurs if you do not answer required health, smoking status or other questions correctly or completely (that is, if you fail to disclose information or give incorrect information relating to your Insurance Enrolment or at time of claim) and we provide you with insurance coverage that we would not have issued if you answered the questions correctly and completely.

If you misrepresent information which is material or important to your insurance, your insurance may be void from the beginning and treated as if never in force. In case of misrepresentation, we would decline your insurance coverage, deny any pending claim, and except for fraud, refund your Premium less our applicable processing fee.

Misstatement Of Age

If you misstated your age on your Insurance Enrolment and as a result your correct age would have made you ineligible for Monthly Premium Creditor's Group insurance coverage, the liability of Co-operators Life Insurance Company is limited to a refund of Premium paid, and your insurance will be void as if it never existed.

If you would have been eligible for coverage based upon your correct age, we will make any adjustments to insurance benefits, Premium or term that are necessary to continue coverage.

Misrepresentation of Smoking Status

If you misstated your smoking status or habits on your Insurance Enrolment, we will consider this a material misrepresentation and your insurance would be void from the beginning (that is, treated as if never in force). If this happened, we would decline your claim and, except for fraud, refund your Premium, less our applicable processing fee.

Contestability Of Coverage

Contestability Period

If you make a claim for insurance benefits within the first two years of coverage, we will review the information you provided in your Insurance Enrolment to confirm that it is correct and complete. We will determine whether or not material misrepresentation is applicable.

Except if you misstate your age or smoking status on your Insurance Enrolment, once your insurance has been in force for more than two years, we will generally only review your information if there is evidence of fraud. This two-year period is sometimes referred to as the Contestability Period and is a concept set out in provincial insurance legislation.

If You Have a Complaint

There may be times when you feel we haven't met your expectations, and we welcome the opportunity to try to make things right. If you have a concern about your claim, policy or the service you've received, there are simple steps you can take to have your voice heard. To get started, please visit our company website for further details on our complaint handling process. <https://www.cumis.com/en/about-cumis/Pages/credit-mortgage-protection-complaint-resolution-process.aspx>

How To Cancel Insurance Coverage

Your insurance coverage with Co-operators Life is entirely voluntary and you may cancel it at any time.

However, you should keep in mind any conditions on your Line of Credit which may require you to obtain insurance for the security of the Group Policyholder.

To cancel your insurance, please contact the Group Policyholder Contact shown on your Insurance Enrolment.

If you cancel your insurance coverage within 30 days of your Effective Date of Insurance, provided no claim has been made, you will receive a full refund of any Premium that you have paid, and the insurance coverage will be deemed never to have been in force.

You may also cancel this insurance any time after the 30 day review period, in accordance with this Product Guide, with no Premium refund, unless required by law.
