Understanding your insurance

What kind of insurance am I buying?

This is a group insurance plan for your mortgage. It offers you a choice of different coverages. **You can buy one or all of these insurance coverages.** It is optional and can cover up to two people for:

- Disabilities
- Involuntary job loss
- Death
- Terminal illness (expected to live 12 months or less)
- Critical illness (heart attack, cancer, stroke)

i To buy any of these insurance coverages, you **must** buy the death coverage first. When you buy death coverage, we include terminal illness coverage.

Can I buy this insurance?

You can sign up for this insurance if you are:

- 16 to 69 years old (limited to 59 years old for critical illness coverage),
- a Canadian resident (living in Canada at least 6 months of the year), and
- paying for a mortgage.

You will need to answer health questions. If your mortgage is over \$300,000, you will need to answer additional health questions.

i To buy involuntary job loss coverage, you must have worked at least 20 hours a week for the last 12 months. You cannot be self-employed, a seasonal employee, or an elected government official.

You cannot buy this insurance if you have made a claim for a terminal illness.

What are the maximum limits on my insurance?

The maximum limits on your insurance are:

Claim Event	One-time Maximum Amount	Maximum Monthly Amount	Maximum Time
Disability		\$3,000	24 months
Involuntary job loss		\$3,000	9 months
Death	\$1,000,000		
Terminal illness	\$1,000,000		
Critical illness	\$1,000,000		

i Your insurance amounts and benefit terms are on your Enrolment form.

Understanding your insurance

When does my insurance begin?

Your insurance starts either on:

- The date on your Insurance Enrolment form, called the Requested Effective date, or
- the date in your letter of approval that we send you.

Whichever date is later is your start date.

After your insurance begins, you can add coverages to it at a later date.

What is the cost of my insurance?

Your insurance cost is based on your age for all coverages. For death and critical illness coverage, the cost is also based on the initial amount of your insured mortgage. For disabilities and job loss coverage, your insurance cost is also based on your insured payment amount. You pay the cost monthly, including certificate fees and applicable taxes.

If you add coverages to your policy, the cost of insurance for your new coverages will use your age on that date.

Your insurance cost is listed on your Enrolment form as your "Total Monthly Premium".

Insurance Premiums	Premium	Certificate Fee and Applicable Taxes	Total
Life	\$5.04	\$0.85	\$5.89
Critical Illness	\$4.84	\$0.64	\$5.48
Disability	\$4.70	\$0.82	\$5.52
Loss of employment	\$3.52	\$0.52	\$4.04
Total Monthly Premium			\$20.93

i *If you insure more than one person for the same insurance coverage, there is a cost savings.*

A lump sum payment of \$5,000 or more on your mortgage balance changes your critical illness and death coverages. Your insurance cost will also decrease.

Your financial institution representative can give you an insurance quote for your mortgage.

Understanding your insurance

Who gets the insurance payment when I make a claim?

Your claim payments do not go to you. We apply the payments from your approved claims directly to your mortgage.

i *We will only pay one claim at a time.*

We will not pay more than the outstanding balance on your insured mortgage or your insured monthly payment amount. We will also not pay more than either your one-time maximum or maximum monthly insurance amount.

If your insurance coverage is less than your mortgage total, your claim is calculated based on that difference. This calculation is called a pro-rated calculation.

What is not covered?

We will not pay a claim in some limited situations, including:

- Being under the influence of drugs (unless prescribed) or alcohol
- Committing a crime
- Being detained for criminal proceedings
- Impaired driving
- Dying by suicide within 2 years

i *We will only pay one claim for disability or involuntary job loss at a time.*

Disability claims:

- Resulting from a normal pregnancy (not diagnosed as high risk)
- Relating to elective surgery
- You haven't worked 20 hours a week for 2 consecutive weeks

Involuntary job loss claims:

- Taking maternity or parental leave, or a leave of absence
- Losing your job within the first 60 days of your insurance
- Being denied your government unemployment claim

i *If you lose your job within the first 60 days of your insurance, you can cancel your involuntary job loss coverage and get a full refund for that coverage. We will send your refund back to your bank account. If you keep your coverage, you will need to work 20 hours per week for 12 consecutive months to qualify for an involuntary job loss claim.*

Critical illness claims:

- Being diagnosed with cancer within 90 days of your insurance starting or if you had cancer at any time before your insurance starts.

i *If you are diagnosed with cancer within 90 days of your insurance starting, we will provide a full refund for your critical illness coverage and it will be sent back to your bank account. Your critical illness coverage will be cancelled.*
